In this section, we outline some of the common problems people can encounter with the setting up the client.

### 2.1 Note about Aras PDF Viewer

Aras PDF Viewer is a feature included in Aras Innovator to display PDF documents as part of the Visual Collaboration feature. However, the technology used to make feature display PDFs is browser specific. Users may experience differences in behavior when loading in Internet Explorer vs FireFox or Chrome. While all browsers provide the same functionality, the user experience will be slightly different.
